

Presenter: **Renee Thomas RID NIC**

Workshop Title: **Lights...Camera...Action!**

This workshop caters to all levels of interpreters.

Description: This workshop will focus on allowing interpreters to practice their “affect” and “characterization” skills as it applies to religious and platform settings. The goal of this workshop is to challenge interpreters and signers to develop and practice their “affect”. This workshop is heavy in participation. It will also attempt to incorporate a variety of strategies to improve how interpreters “become the character” while interpreting in religious settings. This workshop caters to all levels of interpreters.
